

## SUSAN SLOATE

*coming from Charleston, South Carolina*

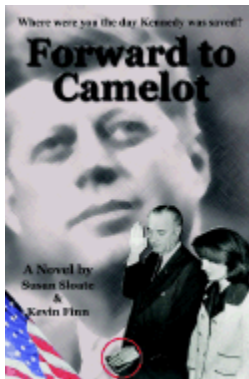

**WHEN: Thursday, February 19, 2009 at 7:00 pm**

**WHERE: Osterneck Auditorium**

**COST: FREE**

The work of author Susan Sloate can best be described as *diverse*. From award-winning biographies to pre-teen fashion and baseball, from a history of Alcatraz to stories about girls coming of age, she has written 16 fiction and non-fiction books for young adult.

Her mainstream adult books are even more varied: an alternate history novel, a tender May-December love story, and a murder mystery with an unusual twist.

Her 2003 alternate-history novel, *Forward to Camelot* (co-authored with Kevin Finn), posed the question: What if a woman from the year 2000 could return to Dallas in November of 1963 – and could save President Kennedy from assassination?

The authors took known history and well-known historical figures, blended them with fiction and produced a slam-bang roller-coaster of a novel that one reviewer described as “destined to become a classic”. *Camelot* was a #6 Amazon best-seller, took honors in 3 literary competitions and was optioned by a Hollywood film producer.
